Welcome back to the seductive world of Sin City's French Quarter casino where a roll of the dice can change the future. Take another wild trip below the surface of Vegas style glitz and glamor to a place hidden from mortals to an arena ruled by werewolves, djinns, vampires, demons. As the Temple Wolves prepare to install a new alpha, the eyes of the human world are focused on the pack as they begin a new chapter. Every step is fraught with danger, risk, and passion. Join Natalie Dunbar, Seressia Glass, J.M. Jeffries, Monique Lamont, and Lady Luck in the world of a golden wolf, a moon goddess, aa renegade hell hound, and predestined lovers.
