Dear Reader, Book titles can stymie an author. Finding the right one is like hitting stride in a long-distance race: The sooner you do it, the better the run. FACETS was FACETS from the opening shot, a natural when the book was first published in 1990 and a natural today. This is a many-sided book in several regards. Think of a gem. On one side, there is Hillary Cox, a writer; on another, Pamela St. George, a jewelry designer. On a third, there is Pamela (TM)s brother John, a mining magnate; and on a fourth, Cutter Reid, once a devil-may-care tourmaline miner, now as sophisticated as John. In setting, FACETS ranges far as well, from the glitz of New York to the elitism of Boston to the nitty-gritty of the small Maine mining town of Timiny Cove. Likewise personalities: FACETS pits the arrogant, self-centered John against the newly vengeful Hillary, the creative and sensitive Pamela, and the doggedly self-made Cutter. Spanning three decades, FACETS is as much a family drama as any I (TM)ve ever written. My writing style may have changed since 1990, but the heart and soul of my characters have not. Please enjoy FACETS as much as I did then - and do now. My thanks and best wishes, Barbara Delinsky
