A "colorful" and interactive way to learn about taking care of the Earth. Join Hermie and all the garden friends as they learn to take better care of the garden that God has given them. The garden is a mess with things don't belong or were not put in their proper place. Hermie and Wormie suggest a big garden clean up. Children will mark an X on the things that don't belong in the garden, i.e. the ladybugs toys or the Buzby's drink. Then, kids will count every "x" that doesn't belong in the garden. Finally, they color a beautiful garden scene the way God made it to look. As a special feature, the book has write-on/wipe-off pages, so children can enjoy drawing and coloring pictures over and over again. Packaged with the book are 3 double-sided crayons for a total of 6

different colors with a storage compartment and 12 write-on/wipe-off pages.
