Discover the South East's very best pubs and inns with "Room at the Inn: South East England". This colourful and stylish title features unbiased reviews written by

independent experts of upmarket pubs selected for their top-class chefs, impressive wine lists, real ales and boutique style bedrooms. Each inn review accompanied by a full page of ideas for places to visit, interesting shops and a host of activities to try during a weekend away, as well as a mapped AA walk route to help you fully explore the area.
