"The almost perfect historical novel."

--"The New York Times""The Man on a Donkey "is an enthralling, panoramic historical novel that brings to life one of the most tumultuous times in British history--the reign of King Henry VIII.

In Part 1, readers are introduced to the world of the Tudors through the lives of five individuals. In Part 2--as King Henry VIII continues his arrogant rule, Thomas Cromwell closes the monasteries, and rebellion breaks out in the North of England--readers discover the destiny of these five people and, through their stories, learn that God's love is felt only by those whose hearts are open to mystery and grace.
