The images are unforgettable, and too numerous to count. Back-to-back national titles in 2003 and 2004. Back-to-back Heisman Trophy winners Matt Leinert and Reggie Bush in 2004 and 2005. Classic matchups with Notre Dame and Pac-10 Conference rivals Arizona, Stanford, Oregon, and UCLA. The all-time great game, "The Comeback" of 1974, blitzing to 55 points in less than 17 minutes. Ricky Erving running fourteen yards for the late fourth quarter, game-winning touchdown in the 1989 Rose Bowl. Trojans Essential is an unprecedented collection of all things Trojan including never-before-told stories and anecdotes that give Southern Cal football its rich tradition. Trojans Essential gives Trojans fans more of what they crave and serves it up on an appetizing platter in an easily digestible format they can dip into at their own convenience. Few college football programs in the country inspire the loyalty and passion that USC football exacts from its fans--and with good reason. More than one hundred years have passed since players first donned the cardinal and gold, but one thing hasn't changed: Trojan football is still a tradition, a legacy of greatness, and a virtual way of life for its fans not only in Southern California, but across the country and around the world.
