Just the place to jot down notes from a business rendezvous or the measurements of

that antique table you chance upon, this lined journal is the perfect companion for any fashionista with a life to keep track of. Silky matte lamination contrasts to great effect against the raised high-gloss varnish, while touches of sparkling metallic accents catch the light. On the cover, a collage-style diva from the popular book The Vanities makes it clear that this is no ordinary notebook -- it is the property of a true disciple of design and style.
