Drawing upon Catholic social teaching, traditional writings, and Sacred Scripture, this book presents a Catholic perspective of crime and criminal justice in America. Specifically, it presents a policy framework for the criminal justice system describing how and why police, courts, and corrections should adopt the tenets of restorative and community justice. In addition, it presents how certain crime-related issues would be addressed under a Catholic perspective, particularly focusing on the death penalty, abortion, euthanasia, and so-called victimless crimes.
