WorldView, a four-level course for adults, covers a wide range of compelling topics

from an international perspective. Its trademark two-page lessons ensure that students stay focused on clear and attainable language goals. With its flexible format and course components, WorldView responds to a variety of course needs. \* Short units build fluency by focusing on specific language targets. \* The Self-Study Audio CD coordinates with the Student Book and Workbook to extend listening and pronunciation practice outside of class. \* The WorldView To Go CD-ROM provides fun, interactive activities, including model conversations with record-and-compare and role-play. \* A Grammar Reference section functions as a handy tool for instruction, homework, and review. \* A Teacher's Resource Book contains a bank of supplementary activities and a complete testing program, including a Testing Audio CD and TestGen software. \* For even more variety, a video program (VHS or DVD format) and a course Companion Website (<http://www.longman.com/worldview>) provide engaging supplemental activities. The WorldView approach follows a simple and proven M.A.P.: Motivate learning through stimulating content and achievable goals. Anchor production with strong language presentations. Personalize learning through engaging and communicative speaking activities. See also: WorldView 2 WorldView 3 WorldView 4
