"Droppin' Seeds" is a collection of self-identifying poetry that is somewhat playful, yet no-nonsense, and down-to-earth. This collection is about scattering enlightenment, sowing inspiring, and shaking-off provocative truthful experiences through Spoken Word Poetry. The literary work represented in this collection speaks for itself. A few well-known performed pieces are: "Criminal Conversation," "Kiss'n Up is Hard to Do," "Let's Get Acquainted with the Promise," "No Test Drives Allowed," "Red Kool-Aid," "Come Out Your Crazy Cocoon," and "Yeah, We Be Loud ,"
