Private detective Fitzroy Maclean Angel is not your ordinary private detective. The world he inhabits is strange and it is about to get stranger. A new born baby means no more cases, no more fingerprinting and no more espionage and, with the arrival of his aging, hippy mother, he has swapped bloodstains for paint stains. Domesticity, or the lack of it, has replaced his high-paced, crime-solving lifestyle. That is, of course, apart from the AWOL screenwriter whose mother's funeral he must attend.
