著者:Carter, Gregg Lee

出版者:

出版时间:2009-8

装帧:

isbn:9780205628094

Empirical Approaches to Sociology is the only introductory level reader to offer a selection of major articles that are rich in research data, yet may be easily understood without advanced math skills. Using primary sources, the book gives readers a chance to see how research findings are interpreted and incorporated into sociological theory.
