In his innovative and magisterial lead essay, Rabbi Yehuda Henkin analyzes the pervasive yet little-understood area of women's modesty. In *Understanding Tzniut*, Rabbi Henkin also examines the issues of handshaking, aliyot to the Torah, and dancing with a sefer Torah, as well as general topics such as questions of rabbinical misjudgment during the Holocaust and the relationship to Israel's government in the wake of the expulsion from Gush Katif. To all topics, Rabbi Henkin brings halachic stature, scholarship and erudition.
