Adults and children alike will enjoy this new book full of wondrous insect creatures and the accompanying audio CD. Join the grasshopper Stix, Millie the friendly spider, the very proper waterbug Sterling and others for two charming tales that teach the art and rewards of teamwork and how to be cautious when meeting a new creature. The award-winning audio CD features a variety of musical styles, amusing lyrics and top-notch sound effects to bring the book to life. The combination of these adorable insect creatures, the moral lessons and the excellent music and lyrics is entertainment and education at its best.
