Fathers are an eternal mystery to their daughters. Author and researcher Victoria Secunda wrote, "Fathers were on some level an eternal question mark," and Psychologist Dr. Bob Schacht believes that most people never achieve an eye-to-eye-relationship with their fathers. Whether your father was nurturing, self-involved or uninvolved, getting a handle on his strengths and vulnerabilities will give you a more balanced perspective and help you resolve longstanding issues. "Decoding your Dad" will help you move forward with Your life and stop ending up with another guy who's a psychological duplicate of your father. "Decoding your Dad" is not just a book for daughters Author Meg Meeker, addressing the "father, says": "You are her first love . Every relationship she has with a man will be filtered through her relationship with you." If you're a father, understanding what makes your daughter tick can help you raise a stronger more successful daughter and strengthen the relationship the two of you share. As a revolutionary tool for both daughters and fathers, "Decoding Your Dad" is a fascinating, thought-provoking handbook guaranteed to enhance the most seminal relationship of a daughter's-and a

father's-life.
