装帧:Paperback

isbn:9780521068857

The Cambridge History of Egypt offers the first comprehensive English-language treatment of Egyptian history through thirteen centuries, from the Arab conquest to the present day. The two-volume survey considers the political, socio-economic and cultural history of the world's oldest state, summarizing the debates and providing insight into controversies. As Egypt reclaims a leading role in the Islamic, Arab and Afro-Asian worlds, the project stands as testimony to its complex and vibrant past. Volume 1 addresses the period from the Arab invasion in 640 to the Ottoman conquest in 1517. It opens with a discussion of the preceding centuries to illustrate the legacy of ancient Egypt, and then progresses chronologically according to the major dynastic episodes. Authors have been encouraged to address their topics in the light of new research.
