Whether used by an enterprising entrepreneur, a resourceful fund raiser, serious environmentalist or a charitable organization - this book is full of simple, time proven formulas for success. Everything you need to set up and run a profitable, society-conscious Thrift Shop is in this book. It's author, Donald Ruehs is an energetic, optimistic entrepreneur who in 25 years of successfully operating service oriented businesses has turned an initial loan of \$5,000 into a cash capital of over one million dollars. His expertise in the recycling, and retail fields has resulted in the authoritative and valuable advice contained of this book.
