Surviving Law School 2nd edition gives informative, experienced-based advice to those studying or considering studying law. It offers insight into the unique elements of law school culture, letting students know what to expect and what is expected of them. It also gives realistic advice to enable students to get the most from their studies. Including tips on reducing stress, juggling university and other commitments, referencing, and other issues. Surviving Law School is the law student's most comprehensive guide to success.
