Part of the popular LPN Threads series, this bestselling text discusses the care of adults

and older adults while covering the full range of disorders that require medical, surgical, or psychiatric management. Written specifically for the LPN/LVN student, this text thoroughly explores the role of the LPN/LVN in a variety of care settings, and the new Companion CD takes learning to the next level with an extensive pharmacology tutorial, realistic 3-D A&P animations, and a Dorland's audio glossary.
