Dynamics-GP 10.0 Essentials is an accessible, step-by-step guide to installing, using and mastering Dynamics-GP software--the most widely used software for mid-sized

companies. Dynamics-GP is used by chain stores, sports teams, franchise operations, manufacturers and accounting firms. Supportive pedagogy helps students develop a strong working knowledge of Dynamics-GP. This book focuses on the basic business processes and internal controls of the software and teaches students step-by-step how to set up and run a service corporation.
