出版时间:2009-8

装帧:

isbn:9781600613005

Filled with practical advice, Forever Flowers includes step-by-step instruction for setting flowers in resin to imitate water, techniques for arranging the floral stems, tips for choosing the right container, and so much more. With ideas for each season and many celebrations, you will learn to create wonderfully natural displays that can be reused for a continuously updated look.
