Is it getting harder and harder to get up each morning and go into your job knowing God has something more for you? Are you yearning to be your own full-time boss? Do you find yourself hitting the snooze button 3 or more times before you muster the strength for yet another day? Don't wait until it's too late to create your exit strategy or feel like you have to take a flying leap of faith that feels like too much too soon. This book is for you if you know what you want to do, but just need a clear, step-by-step plan to begin putting in place now. Free up your time and create the money to start living your vision this year! Learn the steps to create a financial bridge so you can leave your job without looking back. It's time to stop imagining and start living with no more nosy co-workers, micro-managing bosses, or a limit to what you can earn!
