In response to hundreds of requests from all over the world, the answers he gave to questions during his twelve years office as editor of Quatuor Coronati Transactions have been collected together in this book. Only the best and most interesting subjects are included and every question will be relevant to most brethren in the course of their work in the lodge ? hence the title The Freemason at Work This book was substantially revised by Frederick Smyth, the eminent Masonic author and Past Master of Quatuor Coronati Lodge, in 1992; brining the text right up-to-date for much had change since the book was first published in 1976. This is a book to be treasured, one that will provide a wealth of knowledge in an easy to read style.
