Every CosmoGirl deserves the room of her dreams...and New York City designer Mark Montano helps her get it. Montano wrote "CosmoGirl's" enormously popular 'Cool

Room' column. Now that column's been transformed into a book filled with information-packed pages and smart answers to decorating dilemmas, with ten different room schemes and 35 hip and easy-to-make projects that dazzle and wow. From funky organisers that keep wardrobes neat to fantastic ideas for painting your wall, this has all the creative and crafty ideas a CosmoGirl needs.
