When you and your spouse become mom and dad, it's time to pay special attention to your marriage. A healthy and loving marriage is the start of a happy child and a harmonious home. But how can you navigate these new roles, make time for each other, and keep the love alive - all while caring for a new baby? "The New Mom's Guide to Dealing with Dad" helps moms understand the special pressures that new dads feel. It shows how you can help your husband find his own fathering style, how the two of you can stay connected during those chaotic days, and how you can put each other first. You can do this "The New Mom's Guides" are here to help.
