King's Landing. It is the heart of the Seven Kingdoms, and the home of the Iron Throne. It is a city of lies, a city of treachery, a city of deceit. The shadows of King's Landing hide secrets that influence and dictate the future of Westeros. Those shadows have come to the A Game of Thrones Living Card Game.

City of Secrets is the first monthly installment of 40 fixed cards for the King's Landing expansion to the A Game of Thrones card game, based on George R.R. Martin's

best-selling A Song of Ice and Fire saga. It features 20 different never-before seen cards designed to augment existing decks and add variety to the A Game of Thrones metagame.

This is not a stand-alone deck. An A Game of Thrones: The Card Game core set is required to play.
