Building on the tremendous success of their best-selling Principles of Economics text, Brue, McConnell, and Flynn have revised their one-semester text to provide a fresh alternative. This 18-chapter textbook utilizes clear and careful language along with pedagogy and topic discussion suited to the needs of one-semester course.

Brue/McConnell/Flynn is a patient, substantive treatment of micro and macro economics for the one-semester course with many up-to-date, motivating examples.

## 评论

2019#050#藏书阁打卡 Reading this textbook again as to write my ps, very detail with very basic economic kownledge and practise, and it is a wondetful textbook for the primary stage student in economics... It is still amazing that when i found my colorful notes and stickers in the book, and i also remember the time when i have an office hour with Carol...

与其说是在谈论经济，不如说是在探讨哲学道理的一本书。 我看的是3rd Edition，封面比这个稍美，但是ISBN号一样。
