The wonderful versatility of polymer clay is illustrated throughout this book, in which

the author uses simple techniques to turn it into a stunning array of beads in all sorts of shapes, styles and colours. She then shows you how to use the beads to make gorgeous necklaces, earrings, bracelets, keyrings and brooches in a range of innovative styles, from fun and funky to elegant evening wear. Suitable for absolute beginners as well as more experienced jewellery and bead makers, the clear, step-by-step instructions are fully illustrated, and all of the materials and equipment you need are described in detail. This title features clear, step-by-step instructions on how to make beads from polymer clay, and how to use them to create beautiful jewellery. All the methods, techniques, materials and equipment are described in detail, making this book suitable for beginners and experienced crafter alike. It covers a broad range of contemporary and traditional styles.
