Twisted Whiskers, the quirky, wildly popular greeting card line has become a best-selling series for our mini program! This seventh title, with a Christmas theme, is sure to be a holiday hit with consumers. From trimming the tree to juggling ornaments

to barking Christmas carols, these pop-eyed pets celebrate this merry occasion as only these crazy characters canno matter how twisted things get! The festive photographs are paired up with their unique brand of animal wisdom to create an irresistible stocking stuffer that is sure to add some twisted cheer to your holiday.
