This is the patriot's song book, which includes such rollicking word-smiths as Hilaire Belloc, G.K. Chesterton, Rudyard Kipling, and the lyrics of Gilbert and Sullivan. Memorable, funny, and gloriously paced for chanting in the bath, over the wreck of a picnic or out in a boat on a river. With poems that were written to be spoken, England is the perfect companion to the exploration and discovery of one of the world's literary bastions.
