Write instructions like a pro This easy-to-read, easy-to-follow book is the "How-To" of "How-To's." A step-by-step guide for all professions, it shows you how to write clear, easy-to-follow instructions, from the planning stage through completion. "The Instruction Writer's Guide" fills a gap left by technical-writing books--it shows you exactly how to write the text that directs your reader to perform a step-by-step task. There's no fluff, no filler, and no repeat of the things you already know about writing. Use "The Instruction Writer's Guide" as a learning tool; a reference guide; or a textbook supplement. Whether you're a beginner or a pro, this book will help you excel.
