Jonas Brothers have never been hotter, and now kids can read and sing along with their favorite band. Rock out with the red-hot Jonas Brothers With their sold-out concert tours, platinum CDs, performance in the Camp Rock TV movie, and a weekly TV show on the Disney Channel, this band of brothers has become one of the most popular acts in music. Now they're starring in this 40-page book based on the

brand-new TV show. After reading the book, fans can use the removable microphone to amplify their voices. The microphone is pre-programmed with one song for sing-along fun and two unique beats so that kids can make up their own songs.
