More than summer, more than cotton candy, more than nail polish, and even more

than secret friendship codes, Fiona and Frieda love fairy tales. When these two best friends use their magic rhyming powers, their favorite fantasy heroes become more than just stories--they become Real But a real fairy tale can spell a lot of trouble, even in the friendly town of Sprinkledust, where this modern-day duo lives. Can Fiona and Frieda fix their fractured fairy tales in time to save their favorite happily-ever-afters? Find out in these fabulous--and hilarious--chapter book adventures
