This book is about an adoptive Guatemalan girl who is adored by her forever family. She has a mom, dad, and two big brothers who cannot wait to be by her side enjoying all the firsts in her life. Although the family has missed some of those firsts such as first tooth as the adoption process has been quite long, they have grown to love her. They have constantly prayed for her and can hardly wait to be her forever family. Not just a family for a little while, but her family for the rest of her life.
