isbn:9780789037626

This book addresses a wide range of family variables and a diverse array of family situations in order to understand the dynamics of the multifaceted relationship between family realities and educational outcomes of children. It provides research on building effective partnerships between parents and teaches the importance of parental style, parental involvement as a means of improving family life, the influence

of family factors on children of color, and the role of religion in influencing family and educational dynamics. This book was published as a double special issue of "Marriage and Family Review".
