“Even the smallest heroine can make a difference.” —School Library Journal

Little Fur goes in search of her friend, Ginger the cat, who has failed to return to the hidden grove they call home. But before she can help her friend, Little Fur must learn about the Mystery of Wolves—a mystic order of wolves who dwell in the high mountains to the east of the city. On an adventure that leads to more than just Ginger, Little Fur aids the animals in a zoo, learns more about her long-gone father and mother, and ultimately risks everything she loves to save the mysterious and dangerous humans who do not even know she exists.

Isobelle Carmody, one of Australia’s most popular fantasy authors, continues to charm readers with Little Fur—a heroine filled with enchantment, determination, and sensitivity.
