This tiny (4.25-inch X 5.5-inch) cookbook supplies all the knowhow to create real smoked brisket, ribs, leg of lamb, ribs, turkey, ham, quail, barbacoa and cabrito - true Lone Star style. At \$5.95 and pocket sized, it is designed to be the absolutely perfect

birthday present, Father's Day gift or stocking stuffer for the barbecue aficionados on anyone's gift list. Rarely has so much culinary wisdom been imparted at such low a price. And all bases are covered, from which barbecue smokers and utensils are best to a host of recipes, including all the basic smoked fare for which Texas is famous. Then there's the importance of spice rubs, not to mention the proper use of brining, sauces and mops. Topping it all off is a slew of great side dishes and desserts
