The fall of the Cardassian Empire, seen from both within and without. Rugal is a young man with a foot in two worlds -- a Cardassian, orphaned as a boy and raised by Bajorans to regard Cardassians as oppressors. Reluctantly repatriated to Cardassia as a teenager, Rugal becomes a firsthand living witness to the downfall of the proud people to whom he was born, first at the hands of the invading Klingons, then during Cardassia's unholy pact with the Dominion - a partnership that culminated in the near-destruction of the Cardassian people. Through it all, Rugal's singular perspective sheds new light on these tragic events, unflinchingly illuminating the arrogance and folly that brought the Cardassians to their ruin ...even as he learns that the Cardassian soul is harder to understand than he imagined.

这本简直是官小界的一股清流，从一个卡达西人（就是2x05里的小男孩Rugal）的视角写Dominion War之前到战后这一段，写的真的超级棒，后半本简直要看哭我了T_T（战争真的好残酷…… DS9好多配角都可挖掘啊！ 这种官小应该越多越好！！）
