Breaking up is hard to do! Natalie should be on top of the world dating Jeremy. He's totally perfect by everyone's standards. But the seemingly flawless couple have been dating since freshman year, and now Natalie fears the spark may be fizzling. Being such an "expert" in love, Natalie gets coaxed into writing a romance column, and soon she finds spending time with her editor, Matt, to be way worth the work. There's just one catch. Matt is Jeremy's best friend, and dumping your boyfriend for his closest friend is just wrong...right?
