In this delightful new collection of pithy and hilarious essays, Gwen Petersen explains how her philosophy of life comes with a good dose of horse sense. Here is advice on how to fall of your horse with style, dressing to avoid embarrassing your horse, 1001 uses for bag balm, care and feeding of vets, farriers, cattle drives and brandings, and falling in love all over again - with a horse, that is. Petersen's words are as amusing as they are instructive, and will be familiar to any horse-lover anywhere.
