KEEP THE FAITH is Faith's first person account of life at ground zero of hip-hop's greatest generation. She'll share the truth about the love affair that changed her life, and the innuendo that rocked the hip-hop world to its core. From her passionate and tragically short-lived life with Biggie, Faith will finally lay the true story on the line. We'll get to see the good, the bad and the ugly side of P Diddy; nobody knew either quite as well as Faith.
