As with all books in this series, the campgrounds selected for The Best in Tent Camping: Texas had to meet three criteria: they had to be accessible by car but not overrun with RVs; offer great scenery; and be as close as possible to a wilderness experience. Texas, with its extraordinary diversity of ecosystems, made author Wendel Withrow's search an exciting one. Divided into the state's major geographical areas, the book is based on the author's 30 years' experience in following the back roads of Texas. Along with a detailed profile and useful at-a-glance information, clear maps show campground layout, individual sites, and key facilities. Driving directions supplemented with GPS-based coordinates for each campground entrance make getting there a snap. Regional maps and a profile numbering system make the book easy to use and enjoy.
