From demon-hunting soccer moms to high school vamps, JULIE KENNER "HAS A STYLE AND DELIVERY ALL HER OWN" (FALLEN ANGEL REVIEWS). As the vampire population at Waterloo High continues to grow, Beth Frasier realizes that she's on the frontline of saving not only the school, but her hometown. And only one thing is for sure: She's got to find the head vampire and kill him...quickly. Her only problem? With her classmates quickly turning over to the dark side, Beth doesn't know who to trust—or kill.
