Consult the stars anytime, anywhere, with this easy-to-use astrological day planner. From setting a wedding date to buying a house, you can use this essential cosmic database to plan your life according to planets. Featuring three years of ephemeris and aspectarian data (2009-2011), you'll learn the best time to plant a garden, begin new projects, conduct self-reflection, go fishing, and more. The easy-to-read retrograde and Moon void-of-course tables can help you avoid planetary pitfalls when scheduling business meetings and other activities. Comprehensive and compact, "Llewellyn's 2010 Astrological Pocket Planner" also contains a world map of time zones, a time zone conversion chart, and space to jot down your daily appointments.
