"Ordeal by Fire" blends the most up-to-date scholarship with interpretations based on decades of teaching, research, and writing, to tell an important story - that of the American Civil War and Reconstruction. Written by a leading Civil War historian and Pulitzer Prize winner, this text describes the social, economic, political, and ideological conflicts that led to a unique, tragic, and transitional event in American history. The fourth edition welcomes the addition of co-author James Hogue of University of North Carolina, Charlotte. Hogue brings his Reconstruction expertise to the third section of the book, bringing more up-to-date scholarship and interpretations to the story of repairing a nation.
