'Hanging' Judge Parker orders Marshal Houseman and his greenhorn deputy, Zeke Butler, to deal with raiders who are burning out Indian farmers in the Cherokee Strip in Indian Territory. Houseman begrudgingly sets off with Zeke, doubting he could be of any help at all. But with the aid of Bear Paw and some of his kin, the two lawmen face the raiders in a series of shoot-outs, which prove Zeke to be one of the Judge's toughest manhunters.
