"I truly believe that your book made it possible for me to successfully complete the

CNE exam It truly is the only book you need to pass the CNE exam - I'm living proof Thanks so much I learned a lot from your book and intend to keep it on my desk for future reference " -Sue Carroll, MSN, RN Sentara College of Health Sciences This is the only Certified Nurse Educator (CNE) examination prep book that addresses each of the key topics outlined in the actual NLN test blueprint. The review manual serves as an indispensable resource for novice and expert nurse educators seeking to master the content needed for CNE Certification. Each chapter contains only the most important information needed for the test, breaking each topic down into its parts to facilitate quick access to core content. No other review manual offers comprehensive coverage of everything nurse educators need to know for the CNE exam, including guidelines for classroom management, practical teaching strategies, and much more. Why you need this book: Chapter content presents nurse educator core competencies as outlined in the NLN test blueprint Features practice questions in each chapter and an answer key in the back of the book with full explanations of correct answers Includes comprehensive practice test at the end of the book, also with explanations of correct answers Contains essential information on practical teaching strategies, developing lesson plans, culturally diverse students, student evaluation, and much more This guide contains the essential knowledge that all nurse educators need to pass the test and excel in teaching, thus serving as an invaluable resource for systematic review of content before taking the NLN CNE examination.
