It's not that Janey Sinclair isn't pleased to see her sister, she just wishes that she could have arrived in a less dramatic style. Being woken up at seven in the morning by Maxine, complete with borrowed wedding dress and police escort, isn't quite how she'd planned to start her Sunday. Still, life's never dull when Maxine's around, and Janey, who's rebuilding her life after her husband disappeared off the scene, is delighted that her sister's back in town. But when Maxine sets her sights on Guy Cassidy, the impossibly glamorous fashion photographer, Janey knows there's no limit to the mischief her sister will get up to in order to dispatch the competition.
