Organized by type of test. Now in its second edition, Delmar's Manual of Laboratory and Diagnostic Tests adds over 50 new entries to its compilation of over 600 lab and diagnostic tests. Up-to-date information is provided in an easy-to-use, easy-to-find format ideal for both students and practitioners of nursing, medicine, and medical technology. The exceptionally straightforward and concise presentation of information allows you to focus on providing comprehensive care to your client having laboratory

and diagnostic tests and procedures. Now for the first time 50 of the most used tests are included in PDA downloadable format on the accompanying CD-ROM, giving you free electronic access to the test and procedure information most needed.
