"[Teens] will devour Hell Week ." — School Library Journal

Maggie Quinn has battled an ancient demon, faced down psychotic cheerleaders, and saved her best friend from certain death, but nothing can match this. Formal sorority recruitment, otherwise known as rush.

And after facing hellfire infiltrating sorority rush should be easy. But when she finds a У

group of girls who are after way more than "sisterhood," all her instincts say there's something rotten on Greek Row. And when Hell Week rolls around, there ma be no turning back.
"Maggie's snarky humor and quirky personality keep this novel's first half light, but the second takes a dark page-turning twist as Maggie is forced to figure out the ancier source of the sisters' power." —Kirkus Reviews
